practiced lie

move em i don't give a shit
first w flop discs

then with rainleak -- couple w baby

then w cars

firends gt warning at first and then rationalized they get the same

complainer and coffee etc and yelling at service guys etc--
wall jobs

fertle fields of retirement --suckeredon his own lot, so he'll join
sales staff and swap somehow-small hut and transparencies

how he sees everyone as victim and elderly jews on
--putting green
:butwhyhasn't he mademor money
Irony: those who look better off may have better lied!!
meet future in hut w trans at interview etc

shame we have to built two
seeing we really understand each other so fast
(how sleasy sex mixes right in)
